Journal of the American College of Cardiology does not hold itself responsible for statements made by any contributor. Statements or opinions expressed in *JACC* reflect the view of the author(s) and do not represent official policy of the American College of Cardiology unless so stated.

No responsibility is assumed by the American College of Cardiology or the Publisher for any injury or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material herein. No suggested test or procedure should be carried out unless, in the reader's judgment, its risk is justified. Because of rapid advances in the medical sciences, we recommend that the independent verification of diagnosis and drug dosages should be made. Discussions, views and recommendations as to medical procedures, choice of drugs and drug dosages are the responsibility of the authors.

Although all advertising material published in *JACC* is expected to conform to ethical (medical) standards, inclusion in this publication does not constitute a guarantee or endorsement by the American College of Cardiology Foundation or the Publisher of the quality or value of such product or of the claim made of it by its manufacturer.

Claims for missing issues can be honored only up to three months for domestic addresses and six months for foreign addresses. Duplicate copies will not be sent to replace those undelivered through failure to notify Elsevier of change of address.

This journal has been registered with the Copyright Clearance Center, Inc. Consent is given for the copying of articles for personal or internal use, or for the personal or internal use of specific clients. This consent is given on the condition that the copier pay through the center the per copy fee stated in the code on the first page of each article for copying beyond that permitted by the US Copyright Law. The appropriate fee should be forwarded with a copy of the first page of the article to the Copyright Clearance Center, Inc., 222 Rosewood Drive, Danvers, MA 01923, phone 978-750-8400. If no code appears on an article, the author has not given broad consent to copy, and permission to copy must be obtained directly from the author. This consent does not extend to other kinds of copying, such as for general distribution, resale, advertising and promotional purposes, or for creating new collective works.

No part of materials published in *JACC* may be reproduced without written permission of the publisher. Address permission requests to Elsevier Inc. Global Rights Department. Phone: 215-239-3804 or 44-1865-843-830. Fax: 44-1865-853-333. E-mail: healthpermissions@elsevier.com. Requests may also be completed online via the Elsevier homepage (<http://www.elsevier.com/permissions>).
